### Frequently Asked Questions & Other Important Information

- 1. I don't have access to a fax machine. Can I email, mail, or hand deliver my form?**  
*No, due to the overwhelming demand for tickets and limited Volunteer Resource staffing we are only able to accept FAXED orders.*
- 2. What if the fax number is always busy?**  
*Send your fax in the late afternoon, evening, or early morning. During our regular business hours the fax is used for non-fundraising purposes as well.*
- 3. How will I know that you received my fax?**  
*When you send the fax, it is your responsibility to check that the number you faxed it to is correct and that it went through successfully. Unfortunately, due to the high volume of faxes and the regular day-to-day work Volunteer Resources is doing, we cannot take calls to confirm that your fax is received. Please do not send your fax more than once. Duplicate faxes do not increase your chance of being drawn for tickets as duplicate faxes are removed.*
- 4. What do you mean that the ticket orders will be 'randomly drawn'?**  
*We mean that it does not matter in what order your fax is received by us, as long as we get your ticket order form before **Thurs Jan 17 at 1 pm.** From all of the faxes (duplicates are removed), we will then randomly select completed ticket order forms and assign tickets until all tickets are sold.*
- 5. How will I know if I am getting tickets this year?**  
*You will receive a Ticket Order Confirmation Email if your order was randomly drawn and have been assigned tickets. We try to have the majority of tickets assigned within the first two weeks due to the short season but due to volume and the complex process of assigning tickets, it may take a bit longer.*
- 6. How can I increase my odds that I get tickets?**  
*After we randomly draw your order, you increase the likelihood of tickets still being available if you request the single or odd number of tickets, and/or regular season (non-premium) games. Premium and Premium+ games often sell out first (we don't know if there are any of these this year).*
- 7. Why are there ticket limits?**  
*One reason is to help ensure that the majority of people who want tickets get them. Also, our seat assignments dictate the maximum number of people that can be seated together in a group. Our seats change each year and so may our ticket limits. This year, the max number of seats in a row is 9.*
- 8. What is the difference between a 'regular season' game, a 'premium' game and a 'premium+' game?**  
*The Canucks usually identify some of their games as 'Premium' or 'Premium+' games and they charge a higher price for those games. We set different ticket prices and ticket limits accordingly.*
- 9. What do you mean by "What is the TOTAL number of tickets you wish to purchase for the SEASON?"**  
*We need to know how many tickets in total you want to purchase for the whole season. For example, although you have ranked all the games from 1-12 and you have marked how many tickets for each game you want, we need to know when to stop assigning you tickets. Otherwise, we assign tickets in your order of preference for as many games that we have remaining (up to the ticket limits).*

- 10. How will I know if you are still assigning tickets or what tickets are left?**  
*You can call 604-875-5277 and listen to the **recorded** message. We will update it regularly to let you know where we are at with the ticket process and what tickets are still available after all orders are filled. Or email [vhvolunteer@vch.ca](mailto:vhvolunteer@vch.ca) with **Canuck Ticket Question** in the subject line.*
- 11. What if I miss the deadline for submitting my order form?**  
*We had a very short deadline this year so please continue to send in your order form after this date. If your fax is received after the initial deadline we will still consider it but it will be after all other ticket orders have been randomly drawn. Last year we were able to still fill most of these late ticket orders with the remaining tickets/games.*
- 12. Do I have to provide an email address AND a phone number on the order form?**  
*Yes please. The email address will be used for notification of your tickets and other important related information. Be sure to check your email frequently. We are also asking for a DAYTIME & alternate (eve/weekend) number that you can be reached at in case we need to reach you more quickly, to clarify your order or for payment issues, for example. \*\*During the first two weeks we will be assigning tickets over the weekend and in the early evening as well.*
- 13. Why can't I pay for the tickets using my friend's credit card? I am getting the tickets for them.**  
*Only the credit card holder whose name is on the card can make a credit card purchase. No exceptions. If you don't have a credit card, you can pay by cheque, cash, or debit.*
- 14. Where is the VGH Cashiers Office and what are their hours?**  
*They are located in CP, 1<sup>st</sup> floor, along the hallway that connects CP to JP. Look for the "Patient Accounts" sign. Cashiers Office Hours are 8:30-4:30 pm (Monday to Friday excluding statutory holidays). Their phone # 604-875-4068.*
- 15. What if I don't want to pay with a credit card?**  
*You can pay with cash, cheque or debit at the VGH Cashier's office. You must go in person during their regular hours of operation. You may also call in your credit card number over the phone.*
- 16. What if I can't get to the VGH Cashiers Office within 24 hours of finding out I have tickets?**  
*If the tickets are not paid for within 24 hours (or the next business day), Volunteer Resources has the right to re-assign them.*
- 17. What if the Cashiers Office has problems processing my credit card?**  
*If there is a problem processing your payment the Cashier Office staff will attempt to contact you right away. It is your responsibility to ensure you are able to respond in a timely manner. Unpaid tickets will be re-assigned by Volunteer Resources.*
- 18. Why can't I pay for my tickets and then pick them up right away?**  
*We need to ensure the payment has cleared, to organize and label your tickets, and to get them over to the pick up location. Be sure to read your Confirmation Email for details specific to your order.*
- 19. Will the tickets I get be seated together?**  
*Yes. Unless you indicate it is okay to have them split up in order to fill your order.*
- 20. Can I buy single tickets or an odd number of tickets?**  
*Yes, this year we have singles/odd number groups available for all of our games.*

**21. Where do I pick up my tickets?**

*Once you have received a Ticket Order Confirmation email with your specific pick up date, they will be available at the VGH Volunteer Resources Office located in the Doctor's Residence, 2775 Heather St (corner of 12<sup>th</sup> Ave) on the 1<sup>st</sup> Floor, Room 104a. Please don't show up for your tickets prior to the date/time listed in your Confirmation email as your tickets will not be available.*

**22. Can someone else pick up my tickets for me?**

*Only if you have provided us with their name on your original ticket Order Form. They must also bring photo ID that has both their first and last name on it. The name must match the one you provided us. This is for your own security to ensure you get the tickets you paid for.*

**23. Why do I need to bring non-VCH photo ID?**

*Everyone picking up tickets (you or your designate) must bring valid photo ID such as a driver's licence that has both a first and last name on it that matches the information you provided us on the original ticket order form. VCH photo ID is not sufficient.*

**24. Where are the seats located?**

*This year we have all Upper Bowl II seats in sections 305, 306, 320, 321, 325 in rows 10-12. Alcohol is permitted in these seats.*

**25. What is included in the ticket price?**

*The ticket prices include the purchase price of the ticket (what we paid), HST (12%), and a donation to Volunteer Resources (Vancouver, Acute Services). We continue to offer Canucks tickets to you at a price that is below the "Single Game" ticket prices, as set by the Canucks, and made available through Ticketmaster (subject to availability).*

**26. I work at a VCH site but I am now part of another Health Authority (PHSA, FHA, HSSBC etc). Can I get tickets?**

*Yes, you can still send in a Ticket Order form. But remember, you need to pay at the VGH cashiers office (if you don't provide credit card information) and you (or a delegate) will need to pick up your tickets at VGH (see FAQ#20).*

**27. I have a question that has not been answered in this FAQ. Who do I contact?**

*Start by calling 604-875-5277 and listen to the recorded message. We will update it regularly to let you know where we are at with the ticket process.*

*Next, email [VHVolunteer@vch.ca](mailto:VHVolunteer@vch.ca) with the subject line: **Canuck Ticket Question** Someone will get back to you promptly (usually within 24 hours).*

*(Please do not email your order form to this email address. It will not be included in the selection process.)*

**Thank you again for your ongoing support of the Volunteer Resource programs at Vancouver, Acute & Residential Services.**
