

Time for some friendly & lifesaving competition!

VGH Emergency versus VGH ICU. The department who donates the most blood and has the most donations listed under them

wins a prize of \$300

to spend on their department. A new coffee machine for the lounge perhaps? We all know how many blood products we give in our line of work, and it all has to come from someone, so let's step up and do our part and donate. Canadian Blood services are just up the road on Oak Street and it only takes an hour of your time to save a life. So grab your co-workers and earn some bragging rights for your department. Everyone can participate, nurses, LPN's, care aids, physician's, RT's...either way, it's a corporate challenge.

BLOOD OFF 2013 COMPETITION VGH ED VRS ICU

To participate, donors must each register on the "Partners for Life" website, become a member and enter their departments ID when they are booking their times.

The reference codes are:

Emergency: VGHE013637

ICU: VGHI013660

More detailed information on how to do this has been provided via email.

For any further information please contact Jaime Gallaher at jaime.gallaher@vch.ca

Thanks in advance for donating..... May the bloodiest department win!

April 1 - July 1
